No. 2078

The Secretary to Government,

Bangalore.

Sir,

I have the honour to state that the General Manager, Government Industrial and Testing Laboratory reports that stocks of bottles and corks are very meagre and that it is necessary to replenish the stock immediately. Quotations were called for from several firms for the supply of these and the lowest quotations are noted against each item in the list enclosed. The total value of the purchase works out to about Rs.18,425 for bottles and Rs.10,096-8-0 for corks which will be met out of the Revenue Funds of the Laboratory. The order will be placed through the Secretary, Stores Purchase Committee, Bangalore.

I request you kindly to obtain early sanction of Government for this purchase which has to be made without losing any time.

I have the honour to be,
Sir,
Your most obedient servant,

Subd. The Dir's letter is in continuation of his former proposal to purchase bottles for Rs. 10,096-8-0. It is not clear whether the purchase for now ordered Rs 13,000/- is a revised estimate of the requirements or whether it is in addition to the ~~former requirements~~ purchase already approved.

Sir,

In continuation of my letter No.798, dated the 17th August 1944, applying for sanction of Government for the purchase of corks and bottles required by the Industrial and Testing Laboratory at a cost of Rs.10,096-8-0 and Rs.18,425/- respectively, I have the honour to state that since writing to Government, there was a quotation received from Messrs, The General Agencies, Bangalore, for the supply of these corks. This quotation was more favourable than that of Manhar Bottle House, Bombay, referred to in my above reference because the amount payable to the firm was less by Rs.73/-; further delivery being at the Factory, freight packing and carting charges at both ends is not payable In addition, there is no question of railway priority or non-booking by goods train. Corks not according to sample could be returned forthwith. In view of this advantage, I have permitted the General Manager to effect this purchase through this firm. Further as the bottles referred to in items 3 to 7 costing Rs.5,424/- in the statement sent with my letter of 17th August 1944 were also reported to be very urgently required, the General Manager, Industrial and Testing Laboratory has been permitted to purchase them also.

I request approval of Government for my action as reported above. Early sanction may be accorded for the purchase of corks and bottles mentioned in my letter of 17th August 1944.
